CAPABILITIES BRIEFING DOCUMENT
## Supply Chain Risk Management (SCRM)

HOW IS YOUR SUPPLY CHAIN? ARE THERE RISKS? WHAT IS YOUR UNKNOWN?

With our unique positioning in the A&D Supply Chain, Verify has designed and developed a patent pending **SCRM Solution** that will enable you to:

- Identify impending & future risks
- Ensure ALL Flow Down requirements are clearly understood and managed
- Confirm a CMMC compliance plan is in place and moving forward
- Illuminate your Supply Chain
- Manage risk mitigation plans for your supply base
- Partner with your supply chain for success

OUR PATENT PENDING SCRM TOOL SET WILL PROVIDE:

- A Centralized Supplier Registration Repository
- A COMPLETE Prime and Sub Tier Supplier DNA
- A Comprehensive supplier scorecard with a defined risk mitigation plan
- A Global Supply Chain Strategy
- A Modular and configurable multi-attribute Imaging (i.e. Cyber, Capacity, Financial, Human Capital)
